OUR GUESTBOOK

A photo.
A few words.

A little memory for the years ahead.

I

Smiles, please.

Gather your favourite people
and take a photo together.

II

A place in our album.

Pick up your print and stick it
onto a page in our guestbook.

III

A little piece of you.

Add your names and leave us
a wish, a memory or a little advice.

So lovely to have you here.
